

# 2017 Annual Report

# 241

men, women and children received shelter  
that's

# 11,465

nights of shelter

Without gifts from partners like you, an average of **31** men, women and children a day would not have the peace, relief and security of having a warm bed to sleep in and healthy meals to eat.

Did you know that in addition to serving three meals a day to shelter guests, the soup kitchen is open to anyone in the community who may need a meal or a safe environment? Guests of our soup kitchen can also take soup and sandwiches to go for their evening meal. This translates into

# 41,562

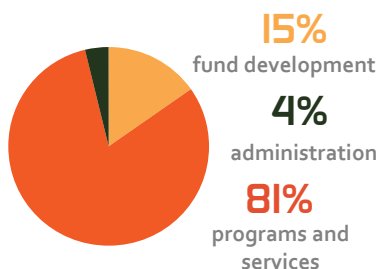

meals served

average cost per meal: **\$2.05**

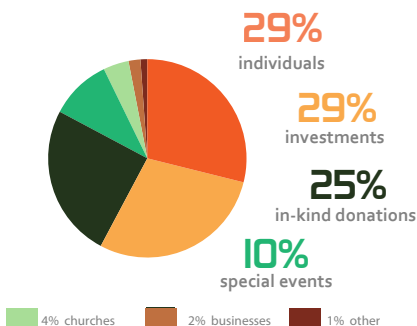

total expenses

## \$817,588

total revenue

## \$1,160,766

Over 40 years of  
Restoring Hope &  
Transforming Lives

## Critical Needs

Over the last few years, Midland's Open Door has experienced wide-spread transformation. Through your generosity, we have moved beyond basic charity and have become a community of new life.

From the sheets we place on each bed to the hiring of trained professionals, "serving every person with dignity and excellence" has framed the character of our growth. And, as men, women and children are discovering their value and God-given gifts, we are seeing the fruit of transformation.

*81 cents of every dollar goes directly to Midland's Open Door's programs and services.*

But the need is great! We are seeing more men, women and children come to us for help through our soup kitchen program. More than support with basic needs, they are looking for emotional and spiritual help, too. We are seeing the need to go deeper by providing professional counseling and case management for those in the gaps, knowing that these services can mean long-term, sustainable change for more of our distressed neighbors.

Will you consider how you can partner with us at this urgent time? We need to raise an additional \$60k in 2018 for these critical positions.

- Full-time Licensed mental health therapist: \$45k
- Part-time BSW case manager: \$15k

## Your Role

1. Pray that Midland's Open Door will continue to lead men, women and children toward transformed lives in Christ.
2. Increase your current giving to help us meet our critical program needs.
3. Encourage your friends and family to support Midland's Open Door.
