Without gifts from partners like you, homeless men, women and children would not have the peace, relief and security of having a warm bed to sleep in and healthy meals to eat.

Did you know that in addition to serving three meals a day to shelter guests, the soup kitchen is open to anyone in the community who may need a meal or a safe environment? Guests of our soup kitchen can also take a sack lunch to go for their evening meal. This translates into

## Walk With Us...

Since 1973, Midland's Open Door has been sharing the **HOPE** and **FREEDOM** found in Christ with the relationally and spiritually poor of Midland County. Today, the door remains open **24 hours a day, 365 days a year**, welcoming the vulnerable and distressed by providing meaningful help in the form of food, shelter and clothing. But it doesn't stop there! The Open Door walks with each person, **moving beyond basic charity** to build healthy supportive relationships that lead to a more stable future.

From the sheets we place on each bed to the hiring of trained professionals, "**servicing each person with DIGNITY and EXCELLENCE**" has framed the character of our growth. This service model also directs our care for Open Door's staff, the team of frontline workers who answer the call for help 24 hours a day, 365 days a year.

In the last five years, the Open Door team has grown from just two paid staff and hundreds of volunteers to 20 staff and thousands of volunteers. That means **more people in need are receiving purposeful LIFE-ON-LIFE care**. It is our goal to continue that care for the Open Door team - just as they care for our neighbors - by providing health insurance. But we need your help as this will require year-over-year sustainable giving from friends like you. Will you walk with our team by pledging a monthly contribution today?
