Walking with the homeless,
hungry and hurting

24 hours a day
365 days a year

Closing the Gap

For 49 years, Midland's Open Door has shared the HOPE and FREEDOM found in Christ with the relationally and spiritually poor. Today, the door remains open 24 hours a day, 365 days a year, welcoming the vulnerable, the distressed, the lonely and the hurting. These are men, women and children in desperate need of food, shelter and clothing and an opportunity for NEW LIFE.

Midland's Open Door is experiencing an increased need in men, women and single-parent families seeking shelter services. At the same time, the lack of available affordable housing means that these same hurting men, women and children are staying in shelter longer. As we face uncertainty in our economy and yet a growing need at the door, the time has never been more urgent for people to join with the Open Door.

The team at Midland's Open Door is working harder than ever to meet the growing need with creative solutions. However, as everyone feels the impact of rising rental rates, higher prices at the gas pump and increased food costs, Midland's Open Door is facing a budget challenge. **Will you be ONE OF 100 who will help Midland's Open Door close the gap?** At a time when it costs more to care for our homeless neighbors, the call for support this year could not be more critical.
