hungry and hurting

365 days a year

A Firm Foundation

Since 1973, Midland's Open Door has shared the **HOPE** and **FREEDOM** found in Christ with the relationally and spiritually poor. Today, the door remains open 24 hours a day, 365 days a year, welcoming the vulnerable, the distressed, the lonely and the hurting. These are men, women and children in desperate need of food, shelter and clothing and an opportunity for **NEW LIFE**.

Following 2022, shelter demand remains high in Midland. With the expansion of the women and children's center, more women and children rely on the Open Door for housing and hope. The time has never been more urgent for people to join with the Open Door.
